## Experience

06/2016 - present

London, Canada

### Co-founder QEUE Games

#### Accomplishments

Creators of Bottle Flip 2k16, a #1 app in 12 countries with 10m+ downloads worldwide. Focuses include mobile development, design, business development and growth through a scientific approach.

05/2017 - 06/2017

London, Canada

### Designer Yugo Rideshare

#### Accomplishments

Featured on ProductHunt. Designed, developed, and (in)validated a ride share concept in 4 weeks.

05/2015 - 08/2016

Chatham, Canada

### Process Improvement Intern Enbridge - Union Gas

#### Accomplishments

Introduced automation into the workflow to reduce "busy time". Collaborated with frontline workers, team leads, engineers and senior managers to introduce new safety processes. Improved KPI tracking and reporting by developing new tools.

01/2017 - present

University of Western Ontario

### Vice President & Mentor W5 Entrepreneurship Club

#### Accomplishments

Managed and ran the W5 idea accelerator with a focus on educating mentors, aligning our goals, and validating ideas quickly.

03/2013 - 06/2015

A.B. Lucas Secondary School

### Assistant Coach Vikings Rugby

#### Accomplishments

Assisted with player development by organizing and executing drills. Provided 1 on 1 mentoring and coaching to help athletes reach their potential.
